**Re: United States v. Faycal Tahiri
Dkt. No. 13-Cr-742 (CM)
Request to Complete Supervised Release
in Morocco**

Dear Judge McMahon:

Dr. Tahiri is currently on supervised release. I request that Dr. Tahiri be permitted to complete his supervised release in Morocco. I have spoken to USPO Vincent Danielo, who has no objection.

Dr. Tahiri, a dual Moroccan/American citizen, is scheduled to complete his supervised release at the end of May, 2020. Because of his conviction, he has not been able to find work as a physician. He expects that he will find work as a physician quickly once he returns to Morocco.

USPO Danielo informs me that Dr. Tahiri's adjustment to supervised release has been stellar, and that he has no objection to the Court granting the requested relief.

Please feel free to have your Chambers call me if you have any questions.

Sincerely,

Lloyd Epstein
